Re: El Paso Natural Gas Company (Vail Compressor Station)
Air Quality Operating Permit (#1187) Renewal

Dear Mr. Cantrell:

Enclosed is a final, renewal permit for El Paso Natural Gas Company (Vail Compressor Station) located at 10200 South Rita Road, in Tucson, Arizona. The permit contains the following; Part A consists of standard general provisions which apply to your facility. Part B provides specific conditions that apply to your facility. Attachment 1 is a list of applicable regulations. Attachment 2 consists of an equipment list.

Please keep a copy of this permit at the 10200 South Rita Road, Tucson, Arizona facility for the life of the permit term. This renewal will go into effect on April 1, 2009 and remain valid for a permit term of 5 years. Please maintain the current permit (issued December 31, 2003) on-site until the effective date of the enclosed permit.

If you have any questions or need additional information, please contact Rupesh Patel at (520) 740-3340.

Sincerely,

A handwritten signature in dark ink, appearing to read "Mukonde Chama", is written over a horizontal line.
